Change Your CampusID Password

Associated Service: CampusID (/technology.gsu.edu/technology-services/it-services/accounts/accounts-and-passwords)

NOTE: You will need to know your current CampusID Password to change your password. If you have forgotten your CampusID Password, reset your CampusID Password.

1. Go to campusid.gsu.edu (https://campusid.gsu.edu).
2. On the CampusID Password Manager page:
   A. Enter your CampusID
   B. Enter the characters from the picture into the field
   C. Click OK
3. Click Change My Password.

CampusID Password Manager
Your CampusID is the account name you use to sign in to the majority of systems at Georgia State University. All new students, faculty, and staff receive a CampusID. You can use this system to activate your CampusID for the first time as well as when you need to change or reset it.

Find your CampusID: Students | Faculty/Staff
More information on First-Time CampusID Activation

Enter your CampusID:
Enter user name

Enter the characters you see on the picture.
