NEW BEGINNINGS
A GUIDE TO GOING FORWARD
Congratulations on Your Student’s Success!

{ Atlanta, Georgia } 2012

Georgia State University
As a parent, you have great reason to be proud that your student has been accepted to Georgia State University. Now here are the steps he or she must take to complete the enrollment process:

- Set up a PAWS Account and PantherMail (page 12)
- Satisfy citizenship verification requirements (page 12)
- Apply and submit deposit for on-campus housing, if desired (available beginning in January)
- Research placement tests in PAWS and register, if required
- Sign up for Incept: New Student Orientation
- Have all final transcripts sent to the Office of Undergraduate Admissions
- Have AP, IB or CLEP scores sent to the Office of Undergraduate Admissions, if applicable
- Apply for Financial Aid by completing the FAFSA before April 1. Application available beginning January 1 (page 7)
- Fill out our Intent to Enroll Form (www.gsu.edu/intenttoenroll)
- If needed, review our official policy for changing or updating a term of entry at www.gsu.edu/admissions/update_application.html
- Continue to check PantherMail e-mail account for important messages from Georgia State
Georgia State is a university on the rise, with a tradition of moving forward and upward through ever-improving programs, ever-expanding resources and ever-broadening influence, here in Atlanta and around the world. Here’s a snapshot of where we are now:

**Student Body***

- **Total Enrollment**: 32,000
- **Undergraduate**: 24,100
- **Graduate**: 7,900
- **Female**: 18,950
- **Male**: 12,050

* Fall 2011

**Student Demographics***

- **White**: 13,960
- **Black**: 11,130
- **Asian**: 3,910
- **American Indian or Alaska Native**: 105
- **Multiracial**: 1,110
- **Pacific Islander / Native Hawaiian**: 65
- **Not reported**: 1,740
- **International**: 3,660

* Fall 2011

**Academics Facts and Figures**

- **Student/faculty ratio**: 20:1
- **Average class size**: 27-30 students
- **88 percent of undergraduate classes have fewer than 50 students**
- **Total full-time faculty**: 1,127 (70 percent tenured or tenure track)
- **87 percent of faculty hold the highest degree in their field**
- **100 fields of study with 250 degree programs offered through eight colleges.**

**Athletics**

- **19 NCAA Division I intercollegiate athletic teams**
- **Nickname**: Panthers
- **Mascot name**: Pounce
- **Colors**: Blue and White
- **Conference**: Colonial Athletic Association (CAA)
- **Since joining the Colonial Athletic Association in 2005, Georgia State has captured eight CAA team titles and numerous individual crowns**
- **14 Panthers have been named CAA Scholar-Athlete of the Year in their respective sports.**

**New and Noteworthy**

**Over the past few years, GSU**

- Opened our new $150 million Petit Science Center
- Launched several new educational and research centers including the Confucius Institute, the Center for International Business Education and Research (CIBER) and the Center for Inflammation, Immunity and Infection
- Launched Panther football in the Georgia Dome under Head Coach Bill Curry
- Consistently enrolled larger and more accomplished freshman classes than the year before
- Opened two new housing options – Greek Housing and Piedmont North
- Opened a new 45,000 sq. ft. satellite facility in Alpharetta (offering select courses)
- Launched a 10-year strategic plan for the University
- Began a hiring initiative to add 100 new faculty in strategic areas for interdisciplinary research
If you and your student haven’t visited Georgia State already, we invite you to do so now. Our Welcome Center offers information sessions and campus tours on weekday mornings and afternoons. Complimentary parking is available if you sign up in advance.

**Information Sessions**

Monday – Friday  
10 a.m. and 2 p.m.

Each 40-minute session, conducted by an admissions counselor, includes information about degree programs, financial aid options and student life. Sessions end in time for you to take a tour of the campus.

**Campus Atlanta Tours**

Monday – Friday  
10:45 a.m. and 2:45 p.m.

A 90-minute bus and walking tour highlights the advantages and excitement of living and learning in downtown Atlanta. With a Georgia State student as your tour guide, you’ll visit a residence hall, classroom buildings and other facilities and see how we fit into the neighborhood.

**Welcome Center**

Georgia State strives to support our students’ transition to university life by providing a number of ways for their families to share in their experience and get comfortable and acquainted with their student’s home away from home.

Parent Relations

Even though your student is taking a big and necessary step toward independence, he or she will continue to need your support for their academic success and personal development. Our Office of New Student Orientation and Parent Relations actively partners with parents and families to help you stay connected to your student and share in the Panther experience. Parent Relations involves and connects you to campus in several ways, including the GSU Parents Association, helpful parent publications, and family-related activities and events. These programs and services connect you to the fun and excitement of campus as well as keep you informed of issues affecting the GSU community and your student.

For more information about Parent Relations, go to www.gsu.edu/parentrelations or call 404/413-1586.

Parents Association

Through the GSU Parents Association, you will have the opportunity to meet other parents of Georgia State students and work with them to enhance and support the GSU experience.

Membership is available for a one-time $50 fee and allows you to enjoy many benefits including:

• Special gift at Family Weekend
• Finals gift bags (for students)
• Parents Association scholarship opportunities for students
• 10 percent off at the official Georgia State University Bookstore (exclusions apply)
• Parent leadership opportunities
• Plus much more!

Publications and Websites

To keep you up-to-date and informed of happenings around campus, Parent Relations offers a number of publications throughout the year. The primary publication is the monthly parents’ newsletter, available online at www.universityparent.com/gsu, along with our helpful Parent Guide, featuring links to information about academics, career planning, health and safety, parenting tips, maps and more.

You can also follow us on Twitter (@GSU_parents) and Facebook (Georgia State University Parents Association).
Georgia State is one of the nation’s premier urban research universities, and our location puts your student in the heart of what’s happening in Atlanta – whether it’s in business, sports, entertainment, the arts, media, health care or government.

**Area Attractions**

**Fun and meaningful things to see and do**
- Carter Presidential Library and Museum
- Centennial Olympic Park
- CNN Center
- Georgia Aquarium
- High Museum of Art
- The King Center
- World of Coca-Cola
- Zoo Atlanta

**Shopping, Sports & Entertainment Scene**

These venues are all within walking distance of Georgia State
- Balzer Theater
- Georgia Dome – home of the Falcons and the Georgia State Panthers football team!
- Peachtree Center – shopping
- Philips Arena – home of the Hawks and a major concert venue
- The Tabernacle – concert venue
- Turner Field – home of the Braves
- Underground Atlanta – shopping and entertainment
- Too many stores and restaurants to mention!

**Internship Opportunities**

Here’s a sampling of places – many right here in Atlanta – where our students have had internships
- Arch Chemicals
- Camp Twin Lakes
- CNN
- Coca-Cola Enterprises
- Comcast
- Department of Homeland Security
- Fox Theatre
- Georgia General Assembly
- Gospel Music Channel
- Merrill Lynch
- Rainbow Push Coalition
- Scott Trade
- Sony Inc.
- State Farm Insurance
- SunTrust Banks
- Turner Broadcasting System
- United Way
- Walt Disney World

**Major Corporations & Nonprofits**

Atlanta is home to dozens of Fortune 500 and 1000 companies and is a magnet for national nonprofits
- American Cancer Society
- Arthritis Foundation
- Boys & Girls Clubs of America
- CARE headquarters
- Coca-Cola Enterprises
- Delta Air Lines
- Genuine Parts
- Habitat for Humanity
- Newell Rubbermaid
- SunTrust Banks
- Southern Company
- The Coca-Cola Company
- The Home Depot
- UPS
- World of Coca-Cola
- Zoo Atlanta
Parents can send their students to Georgia State with the assurance that from their first day on campus, in the classroom and out, they will have access to an abundance of enriching opportunities and activities. In addition to cheering on our 19 NCAA Division I athletic teams, students can enjoy:

**Great Entertainment**

WRAS, Album 88.5FM, the largest college radio station in the nation, and Cinefest, offering free movies in the University Center to Georgia State students

**Cultural Events**

Dances, plays, international musical performances, concerts, movies and more at the Rialto Center for the Arts, Fox Theatre and other locations throughout the city

**Study Abroad and Student Exchange**

Georgia State offers more than 75 programs in more than 25 countries with flexible options to meet students’ personal and academic goals. [www.gsu.edu/studyabroad](http://www.gsu.edu/studyabroad)

**Staying in Shape**

With the Student Recreation Center’s state-of-the-art facilities, intramural club sports, and outdoor adventure programs such as Touch the Earth, students have a wealth of ways to reduce stress and stay in shape. [www.gsu.edu/recreation](http://www.gsu.edu/recreation)
SAFETY AT GSU

Georgia State University is proud to have been a part of downtown Atlanta for nearly a century. The University’s proactive approach to safety and crime prevention has succeeded in minimizing criminal activity on campus and promoting greater awareness and security.

Campus Safety and Security

At Georgia State, the safety of your student is a community effort. A key component of our commitment to safety is our GSU Police Department, which is composed of 67 state-certified police officers, 50 full-time security guards, 15 part-time security guards, 10 communications dispatchers and eight supporting staff members. All sworn police officers have arrest authority.

But our efforts go well beyond traditional policing and patrolling. We take a proactive approach that involves a number of campus units – including GSU Police, Housing, Emergency Management, and Student Health Promotion – all working together to educate, enlist and empower students in creating a safe and secure campus environment.

Here are some of our key campus safety programs and services:

- 24/7 Housing and Building Patrols
- Safety Escorts – available 24/7
- Vehicle Assists – available 24/7
- 80 Emergency Call Boxes
- Campus Emergency Alert System
- Operation I.D. – engraving program for personal belongings
- Prevention Programs – including Campus Safety, Fight to Flight, Click-It or Ticket, Housing Safety, and DUI/Alcohol/Drug Awareness and Education
- Fire Safety Training – mandatory for on-campus residents
- Timely Notices – incident alerts for serious crime events

Inter-agency Law Enforcement (ILE)

As a university located in the heart of Atlanta, Georgia State is not alone in its efforts to prevent and combat crime on or near campus. The GSU Police work closely with several other law enforcement and security agencies in an affiliation known as Inter-Agency Law Enforcement (ILE), whose members include:

- GSU Police
- Georgia Tech Police
- MARTA Police
- Atlanta Police
- Capitol Police
- Ambassador Force
- Fulton County Sheriff’s Department
- Fulton County Police
- Georgia Bureau of Investigation
- Federal Protective Services
- Georgia World Congress Center Police
- Office of the City Solicitor

The GSU Police Department maintains working partnerships as well as written agreements with these agencies for the investigation of crimes and suspicious activity.
College is expensive, but financial assistance is available to students who make good grades, know where to look and – most of all – apply.

**Free Application for Federal Student Aid (FAFSA)**

The first step in the financial aid process (even for HOPE)
Whether your student wants to apply for HOPE, a grant, work study, a loan or a scholarship, the FAFSA must be submitted along with the application and required verification documents. The FAFSA will determine eligibility for a range of financing options. Deadlines are crucial, so don’t delay. To apply online, go to the FAFSA website at www.fafsa.ed.gov.

The FAFSA application will be available January 1. The FAFSA priority deadline for Georgia State is April 1. Through the FAFSA review process you may be eligible for the following:

**Pell Grants**
Available only to students working toward their first bachelor’s degree. Eligibility and the amount awarded are determined by the student’s Expected Family Contribution (EFC) and enrollment status each semester.

**Loans**
There are three types of loans to choose from: Federal Direct Subsidized Loan, Federal Direct Unsubsidized Loan, and Federal Direct PLUS Loan. For information, go to www.gsu.edu/financialaid/loans.html.

**Federal Work-Study Program**
The Federal Work-Study Program provides jobs for undergraduate and graduate students with financial need, allowing them to earn money to help pay education expenses. The program encourages community service work and work related to the student’s course of study. For more information, visit www.gsu.edu/financialaid/fwsp.html.

**HOPE Scholarship**
For eligible Georgia high school students
The HOPE Scholarship is available to students who have graduated from a Georgia high school as a HOPE scholar and are seeking their first undergraduate degree. There are two HOPE awards:

- **HOPE Scholarship** pays 87.4% of tuition for students with 3.0 core high school GPA who maintain a 3.0 college GPA
- **Zell Miller HOPE Scholarship** pays 100% tuition for students who have a 3.7 core high school GPA, plus minimum 1200 SAT or 26 ACT score and maintain a 3.3 college GPA

Fees and books are not covered.
To learn more about HOPE, go to www.gacollege411.org.

**Other Scholarship Options**
Your student may be eligible for one or more scholarships from the Office of Undergraduate Studies, the Georgia State University Foundation, various academic units, and athletics. They should start looking as soon as possible. They should also research scholarship opportunities from outside sources. For more information, visit www.gsu.edu/scholarships.

**Financial Aid Process**

1. Submit FAFSA
2. Submit verification documents if requested
3. Receive award notice through PAWS
4. Check PAWS and e-mail account
5. Complete Master Promissory Note
6. Complete online Entrance Loan Counseling

**PantherPay**
Students pay fees not covered by an aid package via PantherPay, Georgia State’s web-based billing and payment system for viewing and paying student account eBills, which include charges like tuition, mandatory fees, mandatory insurance, housing and meal plan charges, if applicable. Parents and others can be set up as Authorized Payers. For more information, visit www.gsu.edu/studentaccounts.
Georgia State offers students a variety of merit- and need-based scholarships. Please encourage your student to read through each scholarship description carefully, as application requirements vary. Listed below are just some of the many scholarships available to students at GSU.

### Presidential Scholarships

Presidential Scholarships are merit-based scholarships for high-achieving students that consist of these benefits:

- Tuition and fees (partially covered through HOPE for Georgia residents)
- Housing in a 4-bedroom/2-bath unit in the University Commons, and a $2,000 annual living expense stipend
- One-time $2,500 stipend for credit-bearing study abroad expenses
- Eligibility for a University Assistantship, a work option to earn an additional $2,500 a year
- Four years of support, contingent upon maintaining required academic standards and full-time enrollment

### Second Century Scholarships

Second Century Scholarships are awarded to high-achieving applicants for the freshman class based on GPA and SAT/ACT. No special application is necessary; awards will be made as students are accepted based on their admissions materials. Second Century Scholarships consist of:

- $3,000/year cash award applied to student’s account
- Possibility of a University Assistantship, a work-study opportunity where students can earn up to $2,500/year working in an on-campus department or office
- Four years of support, contingent upon maintaining required academic standards and full-time enrollment

### 1913 Founders Scholarships

GSU’s 1913 Founders Scholarships are awarded to a select group of academically accomplished incoming freshmen based on exceptional academic records in high school. No special application is necessary; awards will be made as students are accepted based on their admissions materials. Each 1913 Founders Scholarship consists of:

- $2,000/year in cash applied to the student’s account
- Four years of support, contingent upon maintaining required academic standards and full-time enrollment

### Rice Scholarships

Rice Scholarships are for outstanding seniors from a high school in Early County, Ga., or transfer students from Bainbridge College who have at least a 3.5 GPA at time of application, demonstrate a strong commitment to community, and commit to earning a certificate in gerontology (students may major in any field). The Rice Scholarship provides:

- $10,000 annual stipend for college expenses not covered by HOPE
- Four years of support, contingent upon maintaining required academic standards and full-time enrollment
- One time $2,500 stipend for credit-bearing study abroad expenses.
Campus Atlanta Scholarships

Campus Atlanta Scholarships are awarded based on merit to non-Georgia residents. Incoming freshmen must have at least a 3.5 GPA and an SAT score of 1200 (considering math and verbal/critical reading scores only) or an ACT composite score of at least 27. Transfer students with at least 30 credit hours must have at least a 3.5 GPA.

• Covers out-of-state portion of tuition

Goizueta Scholarships

There are two types of Goizueta Scholarships for students who have shown leadership and engagement in the Latino community. Scholarship recipients are required to participate in a four-year leadership development program.

• Benefits for the Goizueta Foundation Scholars Fund award are the same as for the Presidential scholarship (page 8)

• Benefits for the Goizueta Foundation Latino Leadership Pipeline Award are $10,000/year for four years

Excellence Scholarships

GSU’s Excellence Scholarships are awarded to a select group of academically accomplished incoming freshmen based on exceptional academic records in high school. No special application is necessary; awards will be made as students are accepted based on their admissions materials. Each Excellence Scholarship consists of:

• $1,000/year in cash applied to the student’s account

• Four years of support, contingent upon maintaining required academic standards and full-time enrollment
LEARNING AT GSU

As a leading research institution, Georgia State offers innovative services and programs, along with state-of-the-art resources and facilities, to supplement and enhance classroom instruction.

**Freshmen Learning Communities**

An award-winning program for new students
As an incoming freshman at Georgia State, your student will have the option of signing up for one of our Freshmen Learning Communities, a program that bundles courses around a common theme and allows 25 students who share an interest to study together. There are more than 60 FLCs within nine areas of interest, and signing up for an FLC makes registration easy. Because this program creates a small, friendly community for freshmen, it supports a successful transition to college life. To learn more, visit [www.gsu.edu/success/FLCs.html](http://www.gsu.edu/success/FLCs.html).

**Honors College**

Recognizing and rewarding academic excellence
Students who meet certain academic standards are eligible for Georgia State’s Honors College – a selective community of learning that rewards achievement with a wide range of advantages and opportunities such as smaller classes, competitive scholarships, interdisciplinary options, designated housing and more. [www.gsu.edu/honors](http://www.gsu.edu/honors)

**Academic Resources**

Tools and support for student success
Our knowledgeable, caring staff help students take advantage of these services and resources so they can get extra help when they need it.

- **Mathematics Assistance Complex** provides tutoring for first- and second-year mathematics and statistics classes.
- **The Writing Studio** pairs writers with experienced readers who engage them in conversation about their writing assignments.
- **Language Acquisition and Resource Center (LARC)** offers free tutoring and resources for foreign language students.
- **Digital Aquarium** provides 3D, video, audio, graphic design and animation tools that allow students to develop music, movies, interactive media, websites and more.
- **Supplemental Instruction** offers free, out-of-class study sessions for traditionally difficult courses.
- **Office of Disability Services** provides services for students, faculty and staff with permanent disabilities.
- **Undergraduate Economics Tutoring** provides free tutoring to students enrolled in either ECON 2105 or ECON 2106.

For more details and information on Academic Resources, go to [www.gsu.edu/success/support.html](http://www.gsu.edu/success/support.html).
Living-Learning Communities

GSU Housing features Living-Learning Communities, where students who share an interest also share a floor. Each community is supported by planned programs and faculty participation, but the most significant interaction involves students themselves. Our 2011 Living-Learning Communities included:

• Exploring Leadership
• Exploring Life in the Big City
• Honors
• Navigating Your College Career
• STEM (Science, Technology, Engineering and Math)
• Pre-Nursing
• Sophomores Achieving in Life
• Outdoor Adventure

For details, visit www.gsu.edu/housing/living_learning_communities.html.

Parking & Transportation

Three options to choose from
Georgia State strives to provide parking and transportation options that fit all budgets and schedules, as well as support cleaner air and reduced traffic congestion.

• Car: We provide parking lots around campus for commuting students and covered parking for our residents. Freshmen may have cars on campus.

• Mass Transit: With three MARTA rail stops nearby, we offer discounted MARTA cards.

• PantherExpress: Shuttles get students to and from off-campus parking lots and around campus.

Vehicles must display a valid GSU parking permit. For information, visit www.gsu.edu/parking or call 404/413-9500.

Meal Plans

Flexible and convenient
The PantherMeals plan offers unlimited access to “all you care to eat” menu selections Monday – Friday in our Freshman Hall and Piedmont North dining facilities, plus 75 PantherPoints (valued at $75) that can be used at any dining location on campus.

PantherMeals and PantherPoints make it easy to get healthy, delicious food at a great value; in fact, it would cost about 48 percent more to purchase the same food at retail prices.

Campus dining locations include:
• Freshman Hall & Piedmont North
• Panthers Den
• Einstein Bros. Bagels
• Burger King
• Panther Pizza
• Pounce Garden
• Waffle House
• Freshens Smoothie
• Plaza Café
• Chick-fil-A
• Starbucks Coffee
• State Place Grill
• Pasta Creations
• The Carving Board – and more!

For complete details, visit www.gsu.edu/pantherdining.
Here are the steps your student needs to take to complete the enrollment process upon acceptance to GSU.

www.gsu.edu/admissions/next_steps.html

1. **Set up student e-mail**

   PantherMail is how the university communicates important information to students. PantherMail is also an online community for GSU students with these features:
   - 10GB of e-mail space, 20MB attachments
   - 5GB of online storage space with Windows Live SkyDrive
   - Document sharing through Office Live Workspace
   - Spaces to create blogs, share photos, etc.
   - Instant Messaging

   To activate your account, go to www.student.gsu.edu.

2. **Set up online access at PAWS**

   PAWS is your GSU online information portal. Here students can sign up for orientation, apply for housing, check enrollment status, etc. Transfer credits, if any, can be accessed here, also. Just go to http://paws.gsu.edu and log on using the Campus ID included in your student’s acceptance letter. (Activate Campus ID at http://campusid.gsu.edu.) Please be sure to review the Welcome, New Panthers channel. Click on the One Stop Shop tab for student records, and housing information is available on the Essentials tab.

3. **Send final transcripts**

   For a smooth transition to GSU, students must submit all final transcripts (high school and college, if applicable) in a timely manner. Students still in high school must complete all College Prep Curriculum (CPC) courses in progress; then, upon graduation, send a final high school transcript verifying graduation and CPC completion. Please note: Failure to complete CPC requirements will invalidate acceptance.

   Please mail final transcripts to:
   The Office of Undergraduate Admissions
   Georgia State University
   P. O. Box 4009, Atlanta, GA 30302

4. **Sign up for math and/or chemistry placement exams, if necessary**

   The math placement exam is required for students who must take a math course higher than Math 1101 for their major and must be taken before attending Incept. The chemistry placement exam is required to take Chem 1211K, the prerequisite course for all GSU chemistry and biology courses. Students may take the Chemistry exam at Incept but they must register for the exam in advance. To register for these placement exams, visit www.gsu.edu/success/testing.html.

5. **Sign up for Incept: New Student Orientation**

   All freshmen must attend Georgia State’s orientation program – Incept – led by friendly, knowledgeable GSU students. Incept includes academic advisement and registration, a campus tour and an introduction to the resources and services you’ll need to get started and succeed at Georgia State. As an accepted student, you will receive an invitation to Incept. If you have any questions in the meantime, visit www.gsu.edu/incept.

6. **Verify citizenship**

   The Board of Regents of the University System of Georgia requires that students provide verification of their lawful presence in the United States before their admissions can be finalized. Students may be verified through either:
   - The Free Application for Federal Student Aid (FAFSA)
   - Submission of one of the following:
     - U.S. Certificate of Naturalization
     - U.S. Certificate of Citizenship
     - U.S. Certificate of Birth Abroad
     - Current U.S. Passport
     - Current Georgia driver’s license issued after January 1, 2008
     - Current Georgia ID card issued after January 1, 2008
     - Permanent Resident Card
     - Certified U.S. Birth certificate (submitted in person)
     - Military I.D.

   Copies of these documents are acceptable. Documents should be submitted directly to The Office of Undergraduate Admissions. Students may submit these documents in person, by fax (404/413-2002), or via e-mail admissions@gsu.edu.
