Desire2Learn

Desire2Learn is the university’s central learning management system, which helps instructors offer or supplement courses online. Desire2Learn 10 includes features such as:

- Streamlined navigation
- Drag and drop file uploads
- New document viewers
- Improved student progress reports

Access Desire2Learn (http://desire2Learn.gsu.edu)

Having Trouble logging in?
Students will only be able to log in to Desire2Learn with CampusID (http://technology.gsu.edu/technology-services/it-services/accounts/) and password if they are currently registered for a course. Please allow one day after registration for login permission to become available.
