Welcome Veterans

We respect the commitment our service men and women have made to our country, and we welcome them to the university. We’re here to provide the support and services these veterans and their families need as they pursue higher education.

Let’s get started

As part of the Office of the Registrar, the Military Outreach Center assists eligible Veterans, Dependents of Veterans, Reservists, and National Guard Members with their GI Bill Educational Benefits provided by the Department of Veterans Affairs.

The following information serves as a reference point for our veterans and their family members. After reviewing these resources, should you have additional questions, please contact the Military Outreach Center at 404-413-2263, 404-413-2319 or by email to vetstudentservices@gsu.edu.
