Training and Support

LTD offers provides training and support for many technologies for teaching and learning. We offer regularly scheduled workshops, on-demand group training, one-on-one support and technology consultation services to the college. Take a look at some of the areas we cover:

**Online Learning**

- D2L training
- Online course design
- Blended & Flipped course design
- Online classroom management training

**Audio/Video Production**

- A/V recommendations, project planning, script writing and training
- On demand workshops and training
Mobile Technology

- iPads for Teaching and Learning
- mobile D2L

Class Technology Training

- D2L and iPad demos
- LiveText demos
- MS Word styles and templates for dissertations
- Software demos and training

Have a question about a topic not on the list above? Let us know and we will be glad to assist you!
