Registration for the 2014 Connections Conference, Closing the Loop: More Than a Metaphor is OPEN. This conference (March 3-5) is a partnership between Virginia Tech and Weave. Connections 2014 aims to add meaning to the metaphor, “Closing the Loop”. Too often, the final step of the assessment process gets less attention in the rush to complete one assessment project and move onto another. Sessions will highlight excellent assessment work in a range of higher education contexts – 2- and 4-year institutions; public and private; academic, co-curricular, and
Convene: Join us in Convene™ - our platform for peer communication, sharing best practices, and scholarly discussion and request membership in topic groups such as the Weave Assessment Group!
